BBCS Registration

All players who are participating in an NCAA Live event must be registered with the BBCS (NCAA Basketball Certification System) and added to our bench/team roster prior to the event. We cannot add players to the roster until they are registered with the BBCS, so please do this ASAP.

If you completed this for the spring season it will be good for the summer season as well.

Travel Info

We will have discounted rates at hotels for each of the travel tournaments. Information will be sent out re: hotels soon. If you need help coordinating a hotel room or transportation for your player please let us know ASAP. Please do not send your player out of town without having his hotel & transportation sorted out. We are happy to help! Please just give us enough time to get it coordinated.

Uniforms

-Jerseys are collected at the end of the season so you do not need to purchase uniforms.

-All players need to wear BLACK shorts.
